"Credit Management is a true partner with Mary Lanning Healthcare. They adopted our values and vision when dealing with our clients. They also do a great job for us without the normal level of complaints generally associated with the collection industry. We would recommend Credit Management to any business without a second thought."

credit-mgmt.com - Credit Management

Credit risk refers to the probability of loss due to a borrower's failure to make payments on any type of debt. Credit risk management is the practice of mitigating losses by understanding the adequacy of a bank's capital and loan loss reserves at any given time - a process that has long been a challenge for financial institutions.
