The Descending Son by Scott Shepherd is part suspense, mystery, thriller and just plain FREAKY!! I really enjoyed this book, it starts with Jess getting a phone call from his mom saying his dad is dying. He hasn't been home to Palm Springs for seven years due to bad feelings toward his father.

Descending Son by Scott Shepherd - Goodreads

In a tale that spreads from the California Desert to the jungles of Mexico and set in a town that time has practically forgotten, Descending Son is rooted in the sins of Jess's past and a future that threatens his life. Sure, Jess can go home again, but there's a heavy price to pay.

Descending Son A strong B. Excellent narration. I was happily shocked. I knew nothing about the book. Thought it would be a nice drama for a Saturday afternoon, then it changed on me. Early on it changed from this well written drama to fantasy suspense. I could not put the book down to make dinner. Thank you.
