Video Worksheets - The Biology Corner

The TV (and theatrical) ending is weaker than the womb ending, especially as the womb ending is alluded to in the film (mum keeps having miscarriages, I think). Think the director changed it to keep people happy, but as usual in these situations they included it on the DVD. Guess then it's up to the viewer to decide how they want it to end.

Am i going mad or are there two different ... - Yahoo Answers

When does life truly begin? The stunning documentary Life before Birth doesn't approach this question primarily from a social or political perspective, but through the prism of medical and scientific observation. Utilizing the latest in spectacular 4D ultrasound imagery and innovative computerized animations, the film shows us the miraculous development of a fetus during its time in the womb.
