Economics for business (Book, 2016) [WorldCat.org]

This book covers the basics of microeconomics, welfare economics, macroeconomics, and how the global economy functions. I had to read this for my economics class and enjoyed it initially as a primer for the other four books I am supposed to read for my economics class. That said, this book falls into the category of "must read, so I read it."

Economics for Business: Amazon.co.uk: Begg, David, Ward ...

Business educator David K. Hurst blames neoclassical, Chicago school economics for the bad thinking that pervades business today. Here's how he phrased it in our @e4epod Episode #82: I emerged from Chicago believing, or at least accepting, the basic assumptions which lay behind business education at that time, which was heavily influenced by ...
