Every Cradle Is a Grave | English to French | Poetry ...

The expression from cradle to grave is commonly employed in marketing environments to describe a product's life cycle. It is frequently used for planning purposes to establish strategies to market the product differently as it evolves from the moment it is launched throughout its mature stage up until it is taken out of the market. Additionally, marketing experts refer to this concept as a strategy that aims to create loyalty to a brand or product in the mind of a consumer at his earlier ...
