SAFETY INSTRUCTIONS - repair-guidebook.com

The lift function of my bobcat stopped working. The left joystick was blinking 5 blinks on the left LED, and all the service manual said was to replace the AHC actuator. Once I fixed it, the left ...

Bobcat lift tilt not working actuator repair AHC

On the bright side the service guy said the actuator is right on top of the valve body. It's the easiest of all to get to. I'm still not sure if I'm going to attempt the repair or bring the machine in. Luckily the snow has stopped and I don't have plans of immediate future. I'll have to lift the cab on of these days and check it out.
