Eighth-Grade Math Minutes is designed to be implemented in numerical order, starting with Minute One. Students who need the most support will find the order in which skills are introduced helpful in building and retaining confidence and success. For example, the first time that students are asked

### Eighth-Grade Math Minutes

I have used Math Minutes as an enrichment math for my child since his first grade year. Most math programs (with exception of Saxon) teach math by topics without much, if any, review of previous math concepts taught. Math Minutes is a short, ten minute review of varied math lessons. I highly recommend Math Minutes as an enrichment math.
